AMAZONIAN DUNGEON
Into the Jungle of the Gods

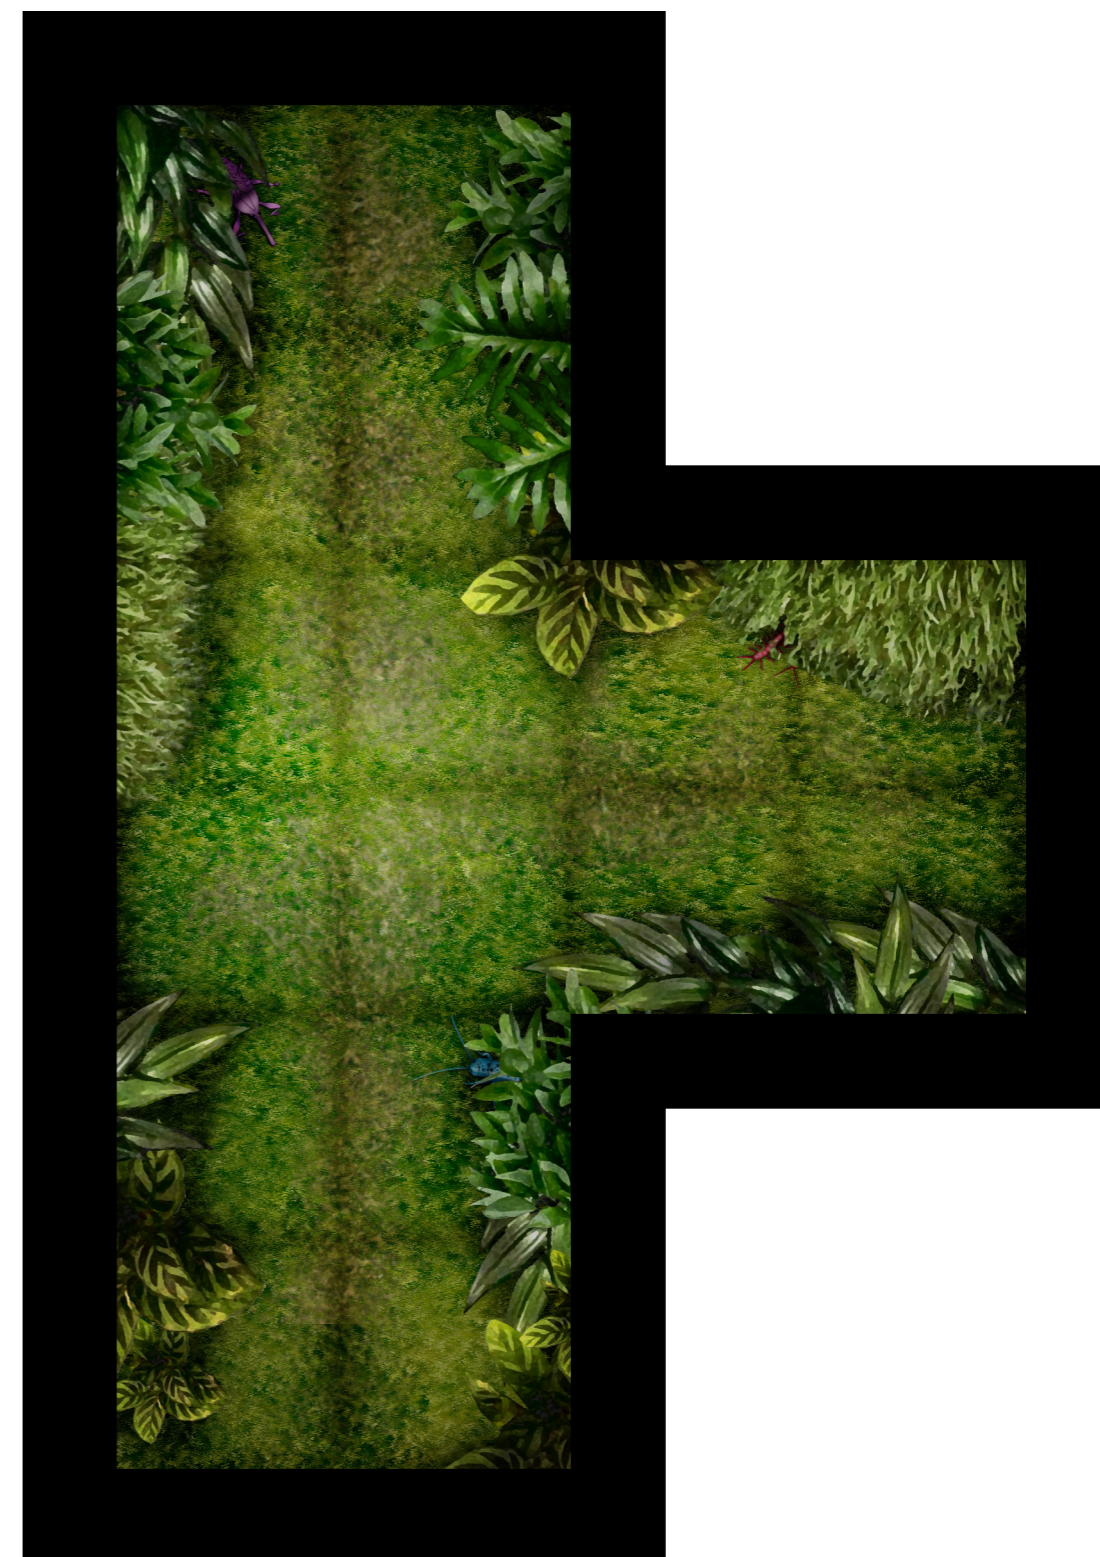

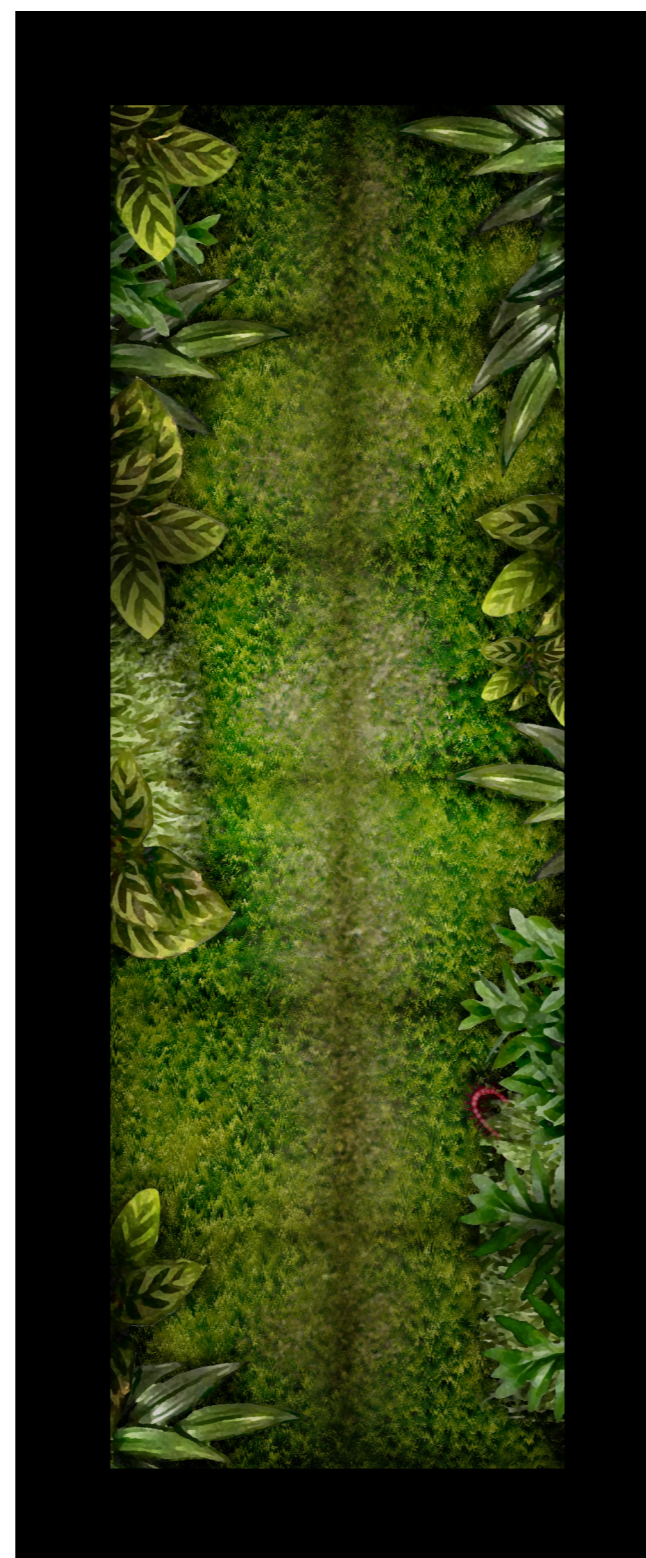

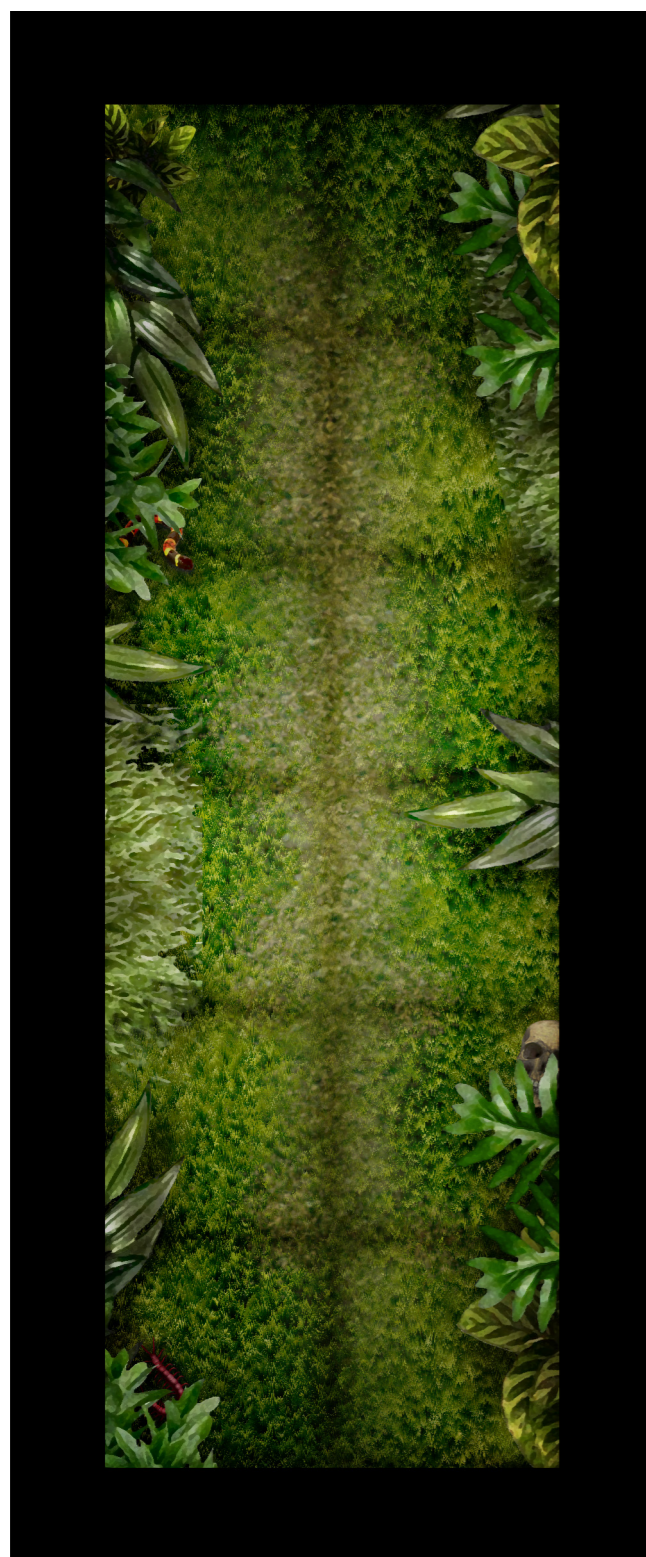

This set of RPG dungeon tiles has been created with original artwork and your support of gamer artists is greatly appreciated.

You will find accessories for this set on the same webpage you saw the downloads. These consist of free game cards, tokens and other items which are either available right now or shortly.

Anything else I create for the Amazonian Dungeon set will be free to all customers shown on the webstore purchase receipts. (I will notify you via the webstore)

Again, thank you for your support; it should afford me a couple of beers to sit back and craft yet more richly detailed game tiles for you and your friends.

Sebastian.
